Andrea Wyckoff joined Millang Financial Group, LLC. in December 2010. She started her career in the insurance industry seven years ago with a company out of Chicago. She is thrilled to be able to provide perspective on the product marketplace now as an independent. She decided to join Millang Financial Group, LLC. based on the firm's reputation for integrity and being a resource for clients. Her favorite aspects of the career are the rewarding nature of providing solutions to client needs and concerns.

A lifetime resident of the south side of Des Moines, she lives with her pride and joy, Tegan and Reese. They are a busy family, staying active with baseball, softball and football. She enjoys participating in her children's activities when not assisting clients and spending time with her close family.
